Property Owner (if different): _____

Do you have a pond or reservoir? Yes No (check one)

You are advised that herbicides are used periodically in the District's systems. The District staff will contact you prior to applications, so as to minimize possible exposure by water borne herbicides to ponds or reservoirs.

Subject to the District's Rules & Regulations, I hereby apply for irrigation water to be used on the property described above in the amount of: _____ **Miner's Inches** (list amount) or **Acre Feet** (check)

-PAYMENT OPTIONS-

Miner's inch water is due in full by April 30th or in six equal payments beginning April 30th of each year. A 5% discount will be given on accounts paid in full by April 30th. Payments are payable within 10 days of their due date. A delinquency charge of 1 ½ % per month (18% per annum) will be computed on any past due balances. Payment of water and delinquency charges must be secured as a tax assessment against land in the District. The land which secures payment may either be 1) the land to which the water is delivered under the application or 2) if all or part of the land is not owned by the applicant, other land owned by the applicant in the District. Water rates and service charges are set by the Board of Directors each year.

If this land is not owned by the applicant, and the applicant does not own land within the District boundaries, the landowner must sign this application.

I, the landowner, understand that I am liable for any unpaid bills delivered to my lands:
